## Intramural Football Starts Oct. 12

The annual rivalry between the intramural pigskin teams gets underway Oct. 12 at 4:00 p.m. on the intramural field. The program consists of ten campus teams: Leo's, Crescents, Big L's, Ministers, Atoms, Willards, Snakes, Legal Eagles, Rebels, and last year's champs, the M.I.M.A.

An assortment of forty-eight games is slated, ending November 18. The games will be held Tuesdays and Thursdays, beginning at 4:00 p.m. each day. Listening around campus and observing, one notes a lot of preparation for the start of the season. There seems to be a lot of perspective action, judging by each team's confidence.

The teams will be identified by the following numbers for the following schedule. 1. Leo's, 2. Crescents, 3. Ministers, 4. Willards, 5. Rebels, 6. Atoms, 7. Snakes, 8. Big L's, 9. Legal Eagles and 10. MIMA.

OCT. 12	OCT. 14	OCT. 19
1 vrs 2	8 vrs 10	1 vrs 4
8 vrs 3	1 vrs 8	2 vrs 10
4 vrs 5	6 vrs 5	9 vrs 7

## INTRAMURAL TENNIS TOURNAMENT SLATED

Coach Claude Smith announced the opening of the Mercer Intramural Program this week. A tennis tournament between campus fraternities is slated to begin on October 11. The tournament will be a double elimination contest ending November 8. Participating will be members of the following teams: the Atoms; the Big L's; the Rebels; the Snakes; the M.I.M.A.; the Crescents; the Willards, and the Leo's.

Each match will consist of two singles matches and one doubles match. The games begin at 4:00 P.M. with four teams represented each day, until the finals. The first day's contests will match the Leo's against the MIMA, and the Crescents will face the Willards.

The 1965 CAULDRON was distributed to the student body this week. Seniors, juniors and sophomores received the annuals without charge. The remaining annuals will be distributed from the CAULDRON and CLUSTER offices in the Student Center.

## SPORTS STAFF WANTED

The Sports staff of The Cluster is undermanned at present. Reporters are needed to cover intramural games. You can represent your fraternity or intramural team; it only takes a few moments a week.

It is very simple; just contact Tom Lang in the Cluster office, or call him at 746-3309.

## GIRLS' NETTERS TOURNAMENT ANNOUNCED

A Round Robin type tennis tournament is slated to begin among the sororities and MICA on October 12. This tournament will have each team playing every other team once, in both doubles and singles. A win will consist of either two wins in singles and one in doubles or two in doubles and one in singles. The team that has placed most wins on the boards at the tournament's end will be classified as Champs.

The games are to be played on the University courts at 4:00 on each successive Tuesday and Thursday. The duration of the tournament will depend upon weather conditions.

## Needed — Intramural Officials

A plea was entered by Coach Claude Smith for officials to officiate intramural football games, as there is a dire need. Coach Smith is willing to acquaint anyone interested with the rules at any time. As for his availability, "I'll be around the gym or on the field all the time."

Officials will be paid for their rendered services, at the rate of \$2.00 per game. All interested are urged to go by the gym as soon as possible and talk to Coach Smith.
