## ATO Winner In Inter-Frat Games

The 1968 edition of the intramural football season officially got underway last Thursday with two games highlighting the first-week action. In a game pitting the Atoms of Alpha Tau Omega against the Rebels of Kappa Alpha, the Atoms came out on top with a 33-2 victory. The game was a hard fought one all the way even though ATO began to pull away early in the second half. The first half had been primarily a defensive battle with the ball exchanging hands on numerous occasions.

Quarterback Ronnie Bennett led his Atoms downfield midway in the first period to score, and the half ended with ATO holding a 7-0 advantage. The Atom's half-time pep talk must have been a veritable shot in the arm because the second half was an entirely different story. Signal-caller Bennett with a little help from his friends began to strike from everywhere on the field, and were soon out of reach.

The Rebels got on the scoreboard late in the period when a bad snap from center resulted in a Rebel safety. The Rebels, true to form, put up a good fight and refused to die even when defeat seemed eminent. They will be hungry for a win, so look out next time opposition.

## PHI DELTS WIN

In a game also played last Thursday, the Phi Deltas crushed the Big L's of Lambda Chi by a 33-8 score. The first half in this ballgame was also mainly a defensive show with the ball seeing-sawing back and forth every few downs. Both teams managed to break into the scoring column midway in the period, however, with the Phi Deltas crossing over on two occasions.

The score at halftime was 12-6 and was indicative of the close battle that the first game produced. As was the case in the adjacent game, the team on top at halftime wasted no time pulling ahead. David Wilbanks led the way to victory lane by scoring two touchdowns and intercepting as many passes, and this quick burst turned the game into a win for Phi Delta Theta.

Charlie Cook played a good defensive game also for Phi Del. Lambda Chi was in the game all the way and is to be commended for their enthusiasm and spirit to the end. This team will also have to be reckoned with in the following weeks and shouldn't be taken lightly.

October the 15th will find the Leo's of Sigma Alpha Epsilon meeting the Raiders of Pi Kappa Phi, and the Crescents of Kappa Sigma playing host to the defending champion Snakes of Sigma Nu.

The bill for Thursday the 17th reads the Rebels of Kappa Alpha battling the Big L's of Lambda Chi Alpha. Both of these teams will be looking for their initial win of the season, so this should prove to be an exciting encounter.
