

**"Y" WORKS WITH EVANGELISTICS**

**Prof. Batts Speaks During Week of Co-operation With Macon Club**

The most important feature of the work of the Mercer Y. M. C. A. during the week was its co-operation with the Evangelistic Club of Macon in observing Winning to Christ Week. Winning the lost to Christ was the general theme of each program offered.

Included among the speakers of the week was Professor H. L. Batts who delivered an address on Tuesday night.

**Hawks President**

The President of the "Y" this year is Barnum Hawks, of Molena, Georgia. In an interview this week, Mr. Hawks stated that while most of the Y. M. C. A. cabinet had been selected, he was unable to make the list of officers public at this time. However, this would be done at an early date when the formation of the cabinet was completed.

The Mercer Y. M. C. A. has for its prime object the providing of good, clean entertainment and the generating of a spiritual atmosphere on the campus. It endeavors to present the highest of ideals and stands ready to aid in every enterprise for the good of the student body.

The bi-weekly prayer meetings held by the students in the different dormitories were sponsored by it. The vesper services held three nights a week.

As it has always done in the past, the "Y" meets three times a week for vesper services. This is an observance of a custom which was begun when Mercer was in her infancy and which has continued almost without a break to the present time.

**Bears Work Hard**

The Bears have been occupied with strenuous practice, getting in shape for the game. Coach Moore has worked his men overtime as there were some glaring weaknesses that needed correction.

"Red" Nightingale and Lynwood Mallard were on the injured list the first of the week but are almost entirely well now and expect to be able to start the game Saturday.

**Line-Up Given**

Mercer's starting line-up will probably be: Butts and Mallard, ends; Nightingale and Pierce, tackles; Estes and Godby, guards; Hammack, center; Loser, quarterback; Smith and Wright, halfback; and Alderman, fullback.

Mercer defeated Citadel last Saturday, but only after a hard fight. The Cadets furnished plenty of opposition and at one time were within three yards of a touchdown. They fumbled, however, and "Phoney" Smith recovered for Mercer and brought the ball back to the 25-yard line.

The line play of the Bears was somewhat ragged at times, but on the whole the playing was satisfactory as the game was played under a merciless sun, and on a sandy field.

A vocal solo by Bernard Brooks, accompanied on the piano by Miss Emily Thigpen, of Macon, was a feature of the program.

**King To Speak**

Announcement was made by the president of the association that Mr. Spencer King, superintendent of state missions, would speak to the students at an early date.

The ministerial association has fifteen new members who joined the organization at a former meeting. The officers for the fall term are: B. L. Bond, Boston, Ga., president; Winfrey Davis, vice-president; M. A. Murray, Ludowici, Ga., chorister; and L. B. Strickland, Savannah, Ga., secretary.

ternity and were installed on the second of last June.

**Calhoun President**

Paul Calhoun was at that time president of the local fraternity. Other charter members were: Dr. Ben C. Holtzcloth, recently elected dean of the graduate school, Professor Fred Caylor, Professor O. D. Knight, and Professor Artinio Montoya. Among the students the charter members were Frank McWilliams, Leroy Mann, Dozier K. Walker, John-H. Rice, Glover F. Harrell, Jack T. Rabun, W. Campbell Goode, and H. Turley Warlick.

The strength of the new fraternity was proven by the fact of their meeting held during the summer. Dr. Holtzcloth presided at these meetings and is recognized now as the head of the fraternity. Three new members were given the honor of membership during the summer. June J. Ellis, Tom Cobb and Edwin Tribble were initiated on August 8.

**Has 31 Chapters**

With the granting of the charter to Mercer chapter the number of chapters in the national fraternity was increased to thirty-one.

The fraternity gives the local chapters the right to choose a name and the Mercer chapter chose the Spanish name, El Dorado (Golden City), the name of the Spanish club out of which the local grew.
