

## SPRING FOOTBALL STARTS MARCH 5

Five Weeks Will be Devoted to Molding 1928 Bruin Eleven

Spring football will begin Monday, March 5, the week following the close of the S. I. A. A. basketball tournament, according to an announcement by Major J. D. Blair, varsity line coach.

"Five weeks will be devoted to an intensive program of football theory, fundamentals and practice," the coach stated.

### Scrimmages Planned

During the first week the athletes will center their attention on limbering up exercises. Following this, practice will begin in earnest and scrimmages will be held.

Because of the large number of students playing class football and taking part in other forms of winter athletics, the coaches believe that the majority of football players will be in prime condition when the spring football training begins.

The result of the class football season has been very gratifying; according to the coaches. They expect several class stars to be on the varsity squad next year and they will be given considerable attention during the spring training period.

### Lose Varsity Men

The freshman football team of last fall will send up several players to the varsity squad. It is expected that a battle royal will take place among the candidates to determine the three players to take the places of "Phoney" Smith, Wallace Butts and "Bit" Pierce who graduate in June.

## So, This is Leap Year!

By BRIGGS

WHEN YOU'VE BEEN SPENDING ALL OF YOUR EVENINGS AND MOST OF YOUR PAY FOR THREE YEARS ON A WONDERFUL GIRL

AND YOU'VE NEVER BEEN ABLE TO GET UP ENOUGH NERVE TO POP THE BIG QUESTION

AND THEN ONE NIGHT SHE SHOWS SIGNS OF BECOMING SENTIMENTAL

AND I HOPE YOU WON'T THINK I'M TERRIBLY FORWARD IN ASKING YOU THIS

I WANT YOU TO SMOKE OLD GOLD CIGARETTES..... I'M FRIGHTFULLY WORRIED ABOUT THAT COUGH OF YOURS

THIS MAY BE LEAP YEAR BUT IT MEANS NOTHING IN MY SPATTERED LIFE.

## MINISTERS' HEAD PLANS PROGRAMS

Worship and Instruction is Aim of Eller for Future Meetings

BY EUGENE ELLER  
Pres. Ministerial Association

The Ministerial association is endeavoring to render programs each Tuesday night that will be both devotional and instructive for those who attend. We feel that the two outstanding aims of the association is that of worship and instruction. We are trying to have a speaker at each meeting who will bring a message or discuss some subject which will be of help to us in our work. We also have some special sacred music at each meeting which is both beautiful and inspiring.

### Invitation to All

We believe that all who attend these meetings will be helped in some way. It is the desire of the association that all the ministerial students will try to be present at each meeting. It has been a pleasure to see a number of non-ministerial students attending our meetings. We are anxious for all students who desire to do so to come to our services.

The members of the faculty and people from the city are always welcome. It is the desire of the Ministerial association to be of service in any and every way possible to any individual or organization on the campus. We want the co-operation of the other organizations. By working together in our efforts we can be of service to each other.

The president and the program committee of the association cordially invites constructive criticism and suggestions.
