

PETRELS THE BATTLE 20 TO 0 TIRE TEAM STARS

McKenzie Paul H. Tom (Continued from Page 1) on the Bear's 42 yard line, range and Black line held next Petrel charges and on the two plays threw the Oglethorpe backs for three and five yard losses. The Petrels were forced to punt and from that stage on they failed to threaten. The big Bear line began to function and from then on it was just too bad.

After being held scoreless in the first quarter, although making three first downs and gaining 68 yards from scrimmage, the Bears began a drive in the opening minutes of the second quarter and very early pushed over the initial marker. With the ball on the Petrels 31 yard line, Walden passed to Cotton Harrison for eleven yards, placing the ball on the 20 yard line, Pinky then hit center for four yards, and again for nine, making it first down on the Oglethorpe five yard line. On the next play Walden went around his own left end, with Shorty Hollingsworth leading the interference, for the touchdown. Hollingsworth's place kick was good for the extra point.

Zinkowsky Scores

Shortly after the kick-off, Ernie Zinkowsky relieved Walden, and after Red Camp had recovered a Petrel fumble near mid-field, and Ernie and Cimperman had gained 20 yards on two tries, Ernie fumbled and the ball was recovered by Herrin. On the next play Anderson of Oglethorpe tried a long pass, but it sailed into the arms of the fleet Zinkowsky on Mercer's 42 yard line, and the Lightning Express started on a dead run toward the Petrel goal-line. After being tackled, half knocked down, the Mercer flash shook loose from these would-be-tacklers and ran, twisted, and drove 58 yards for the second Bear touchdown. Again Hollingsworth kicked from placement and Mercer led, 14 to 0.

The third quarter was more of a punting duel, with Mercer making only two first downs and gaining 43 yards from scrimmage, while Oglethorpe made only 15 yards and failed to tally a first down.

On the first play of the fourth quarter Cimperman punted from his own 25 yard line to the Petrels six-inch line where the ball was downed by Cotton Harrison, Mercer's great end. This was the longest punt of the game and one of the features of the battle. Oglethorpe was forced to punt from behind the goal line and after the exchange of punts, the Bears started a drive down the field, using only straight football and carried the ball to the 12 yard line where the Bears lost possession of the ball on downs.

Walden Scores Again

Oglethorpe made their only first down during the last half on the next play when Dapper Myers went around his own left end for 18 yards, but on the next play Trommerhauser intercepted Anderson's pass in the center of the field. On straight line plays with Walden, Cimperman and Trommerhauser carrying the ball, Mercer marched down to the Petrel's 19 yard line, where Walden again circled end for the last touchdown of the game. Hollingsworth's boot was wide and the count was 20 to 0. Immediately after the kick-off, a long pass was intercepted by Walden who raced to the Petrel's 18 yard line as the game ended.

The game was a fitting climax for two Mercer veterans who turned in their final game for the Bears. Shorty Hollingsworth and Brad Lamson, playing their last game for the Orange and Black, turned in great games. Hollingsworth has led the interference for practically every Mercer touchdown this season and he and Lamson will be greatly missed next season. The blocking of the

Ocella boy and the generalship of Lamson will be hard to fill.

Many Stars

To pick out the individual stars would be to name every man who played, but there were some who deserve special mention, besides the backfield ace mentioned above. Harrison and Raesor at ends wrought havoc with the punt returners and also helped the Bear cause by their success in catching passes. Both boys came through in great style. The work of Red Camp and Swede Olason, tackles, in opening those great holes and wrecking the hopes of the would-be-ground gainers of the Petrels, and of Joe Popeko, Bob Sperry, and Dick McNabb at guards, can

not be overlooked. However on the line the outstanding player was Harry Lichter, this boy was certainly doing every thing in his power to stop the Oglethorpe plays and if he didn't stop them for a loss, he did for a no gain. No boy on the squad has made more improvement than the Detroit boy, and in this last game he certainly came near filling the shoes of the great Bob Smith.

For the Stormy Petrels, the work of Dan Kenzie and Parker Bryant was outstanding. This boy Kenzie certainly played one of the great games ever witnessed on Her-mance field and proved that he is one of the very best tackles in the south. Bryant, Myers, Ander-

son, and Herrin, all playing their final game for the Birds all turned in a great game.

PHOTO CONTEST STARTS MONDAY

(Continued from Page 1) ditional information about the contest, see Mr. Teasley or any member of the Cauldron staff.

It was also announced by the editors that after Saturday, December 19, no pictures will be accepted for the Cauldron and that the students who failed to have their pictures made thus far, should have them made immediately.

BASKETBALL PRACTICE AT RIVERSIDE ARENA

(Continued from Page 1) last season's quintet, and one of the greatest players ever to don the Orange and Black; Jody Matt, and Lamar Plunkett, star guards, and one of the best pair ever to defend a Bear goal and Toombs Mobley, all round player; the Bear mentor will face a hard task in rebuilding the Mercer quintet.

The schedule has not been completed, but games are pending with Georgia, Tech, Auburn, Birmingham-Southern, and other leading teams, and it is expected that a very attractive menu will be arranged for the local fans.

VARSITY DEBATING TEAM PICKED AS EXPERIENCED SQUAD RETURNS

(Continued from Page 1) Dean John B. Clark, secretary of the Debating council is arranging an extensive debating program for the season.

Last year was one of the most successful seasons in the history of inter-collegiate debating at Mercer. A check-up shows that the varsity debaters defeated Emory, New York University, Oglethorpe, Georgia Tech, and Birmingham-Southern, and earned no-decisions with Kansas State, Howard, and Presbyterian. Only Furman was successful in defeating the Mercer

You needn't tell me
— I know Camel is
the fresh cigarette!

FRESHNESS

— that's the thing!
CAMELS are never parched or toasted

HAVE you noticed the new trend in cigarettes? — *freshness is the popular thing.*

That's because a *fresh* cigarette, as demonstrated by Camels, is something smokers have discovered as better than anything they ever tried before.

Camels are fresh in the Camel Humidor Pack because they're *made* fresh to start with — blended of choice, delicately mild, sun-ripened tobaccos in which the natural moisture and fragrant flavors are vigilantly safeguarded.

The tobaccos in Camels are never parched or toasted — the Reynolds method of scientifically applying heat guarantees against that.

That's why we say with so much assurance that Camels are truly fresh. They're *made* fresh — not parched or toasted — and then they're *kept* fresh in the Camel Humidor Pack.

Try Camels' freshness for a change. Switch over for just one day, then change back — if you can.

CAMELS

Made FRESH — Kept FRESH

Don't remove the moisture-proof wrapping from your package of Camels after you open it. The Camel Humidor Pack is protection against parching and fading odors, dust and germs. In offices and homes, even in the dry atmosphere of artificial heat, the Camel Humidor Pack delivers fresh Camels and keeps them right until the last one has been smoked.
