## for Pipe Smokers

the pipe tobacco that's **MILD**  
the pipe tobacco that's **COOL**

*The method of preparing Granger Tobacco for pipe smoking is not like any other method now in use.*

So far as we know, it is the best way ever found of taking out of tobaccos the oils that don't smoke right or taste right in a pipe.

Granger owes its extra

fragrance and mildness to Wellman's Method.

The way Granger Tobacco is cut—in big flakes—helps it to smoke cool and last longer. Try it.

*—folks seem to like it*

*Just about the nearest*

*thing to a pouch that a package could be—it keeps the tobacco the way you want it.*

*A sensible package—10c.*
