

SMART, GAMBLE SPEAK AT CHAPEL HOUR

Students Show Enthusiasm Over Approaching Homecoming Day Game

Mercer's student chapel hour Wednesday turned into a pep meeting for the Mercer Homecoming day game with Furman here next Saturday afternoon, with Mayor Herbert Smart and Robert M. (Bob) Gamble as principal speakers.

In pledging the cooperation of the city in making the affair a success, Mayor Smart urged the students to "get behind the team and let them know that you are behind them by turning out for the game Saturday and yell for a victory."

"This year's team is not preceded with the glory of the teams of the past several years, and it offers the students a fine opportunity for the students to rally and prove their confidence in the team," Mr. Gamble told the students.

A spirited defense of the team was put up by Alfred Davino, back-field player, who declared that "the result so far has been pretty much as expected. We have a large bunch of sophomores, who are improving with each game. We expect them to come through and help us score a win over Furman Saturday."

Other student speakers included Miss Lila Dunn, Chicago; Howard Overby, Bainbridge, and Bowie Gray, Perry, who spoke briefly.

Jimmie Watts Pushes Dr. F. L. Jones Down One Rung As Play Goes On

The first major change in the tennis standings at Mercer came in Major Ferguson's victory over Skipworth last week to advance to fourth in the standings.

Several changes down the ladder, of less import, include Jimmie Watts' climb over Dr. F. L. Jones to a perch on the eighth rung and Robert Jones victory over Sidney Wienstein in a battle for "lucky 13" in the school standings.

The ladder in its revised order with all changes through Tuesday follows:

(Includes only first fifteen).

1. Daly Smith.
2. Dave Wilson.
3. Harry Orr.
4. Major Ferguson.
5. Skipworth.

GIRLS LOSE ALL

More than 60 co-eds at DePauw University were routed from their beds early one morning last week when fire practically destroyed Mansfield Hall, oldest women's dormitory on the campus. Some twenty of the girls lost all their belongings.

More than 90 per cent of the students attending Loyola University (Chicago, Ill.) come from Chicago and its suburbs. One-third of them are sons of American born parents, while a quarter of them claim Irish descent.
