## PONY BACKFIELD AGAIN

After the sweet victory over W. & J. two weeks ago, many were the favorable comments passed on the Mercer "pony" backfield, composed entirely of sophomores, Varner, Smith, Morris, and Bloodworth. That was the backfield which, after Bob Lee started the ball rolling by running a fumble for a touchdown, swept the Presidents off their feet to win a stunning victory in Mercer's first inter-sectional clash on the Home field.

This same aggregation was responsible, in great part, for the tie game with the Chattanooga Moccasins last week. Chattanooga went into the lead with only a few minutes left to play, when Bloodworth threw a pass to Warlick, who ran 60 yards to the enemy 22 yard line. From this point, Billy Smith carried it to the one yard marker and Bloodworth scored standing up. In all this action, the main characters were sophomores. What a team we should have next year!!!

## FROSH TIE MULES

Mercer's Freshman gridders, off form from lack of consistent practice, fought an Abraham Baldwin college eleven to a 12-12 tie in Tifton last Saturday. A fumble intercepted by Rhodenhiser and passed to Bolton accounted for the first Cub score when the latter sprinted for 72 yards and a touchdown. Byram made the other marker in the last of the fourth quarter when a march down the field and penalties placed the ball on the Mules' one yard line for a line buck to score.

"I like that  
fragrant Granger"

In the manufacture of Granger Rough Cut Pipe Tobacco the Wellman Process is used.

The Wellman Process is different from any other process or method and we believe it gives more enjoyment to pipe smokers.

- ... it gives the tobacco an extra flavor and aroma
- ... it makes the tobacco act right in a pipe — burn slower and smoke cooler
- ... it makes the tobacco milder
- ... it leaves a clean dry ash — no soggy residue or heel in the pipe bowl
