

RAMBLIN'

By ROY RHODENHISER, JR.

For several years, the editors of the CLUSTER sports department have been trying to promote interest in boxing and wrestling at Mercer without success, and this year when things are very favorable for the introduction of these sports the students by their lack of cooperation and perverted sense of humor are about to defeat their introduction. A list was placed in the co-op for the signatures of those interested in these sports. No sooner had this been done than those Mercer wits of the higher class began to write names other than their own, with the result that the list soon became meaningless. If you aren't interested in helping Mercer and in the promotion of these sports for goodness sake don't meddle, because there are some students who are really interested. In order to avoid future conditions such as these, all those students who are interested in boxing and wrestling please go by Major Blair's office and register. Registration will close Wednesday, February 19th.

Don't let the fact that you are small in size keep you from registering as there will be the usual weight divisions, the inclusion of the division depending upon the number registered for that division.

The newly formed "M" club can be made into an organization that Mercer can and will be proud of, and as one of the first goals of that organization is to enhance the value of the "M" we are asking that letters, numerals, monograms or other insignias from other schools be removed from sweaters and jackets worn around the campus. Also those who have not earned letters or numerals at Mercer are asked not to wear them. This will not work a hardship on anyone, and should be fully complied with. You are now Mercer students, and it doesn't make much difference whether you won a letter at some other college, prep-school or high school, so don't wear them on the Mercer campus. The "M" club has announced that all foreign letters worn about the campus must be removed from sweaters or jackets before Wednesday, February 19th. Won't you give us your cooperation in this matter?

Did you know that . . . Harry Lichter, former footballer, can give a good impersonation of "Gene" Talmadge, and will unless stopped? . . . Coach Russell played football at the University of Tennessee and not at Carson Newman? . . . Tom Porter insists that his name be spelled Poda? . . . "Gene" NeSmith hopes to be a crooner? . . .

Mercer Goes To Albany For Return Match

The Mercer basketball team will meet the South Georgia Teachers College tonight in a return engagement, to be played at Albany. The Mercer squad has been drilling under the direction of Coach Stocum. Stocum will probably start the same five that played against the Albany Blues last week; Porter and Smith at forwards; Warden at center, and Bosch and Lawrence at guards.

under way at the beginning of the third term. Most of the teams have been practicing for the past month and all indications point to a hotly contested battle for the cup now held by the Kappa Sig.

Prospects are very bright for a big Little Commencement since the announcement that the Pan-Hellenic Council and the Greek Council will combine forces to sponsor the occasion.

Tips for the Cinemaddicts

By Harry Ed Marshall

The amateurs are coming to town! On Tuesday and Wednesday of next week, the Capitol is presenting, in addition to a regular program, unit No. 2 of Major Edward "King Gong" Bowes original amateur hour. The feature picture for these two days is THE LADY CONSENTS, Ann Harding again plays the eternal wife whose husband loves another woman, accepting it all with her usual good for—nice conversation piece. Supporting Miss Harding are Margaret Lindsay and Herbert Marshall. ANYTHING GOES will be continued over from this week end through Monday.

Thursday, Friday, and Saturday, marks the return of the long absent Harold Lloyd, and the picture MILKY WAY—Lloyd playing a shy milkman who becomes a prize fighter by accident.

A return engagement of Cecil B. DeMille's gigantic colossal spectacle, THE CRUSADES, opens the week at the Rialto—one of DeMille's finest productions, with a cast including Loretta Young, and Henry Wilcoxon. Scheduled for Wednesday and Thursday, is WOMAN TRAP with Gertrude Michael and George Murphy. The running mate of "Barbary Coast", FRISCO KID, with James Cagney and Margaret Lindsay, finishes off the week. Cagney is as his admirers love him in the role of a young adventurer who becomes the boss of San Francisco's infamous Barbary Coast.

Any of you who happened to see a picture titled "Taboo" a few years ago will be interested in seeing LAST OF THE PAGANS which opens at the Ritz Monday and Tuesday—a beautiful and simple story of Pagan existence with two native performers, Mala and Lotus. ANNAPOLIS FAREWELL, Naval Academy propaganda, is being returned to the Ritz Wednesday and Thursday. Naval propaganda, but nevertheless, good entertainment provided by Tom Brown, Richard Cromwell and Sir Guy Standing. A mystery thriller, THE CASE OF THE HOWLING DOG, with Warren William as the female interest shows Friday. And of course the week is concluded with a Horse Opera—this time it's LAWLESS BORDER, with shoot-em-up Bill Cody.

It's hard to understand why the Glee Club is raving so about F. S. C. W. when after all, they only have about two thousand women students there—and we have about a hundred.

As this goes to press PETE PETERS' campaign for governor seems to be going nicely. Instead of giving out cards they are selling them to raise money for a ball—whether it will be a sphere or a dance they haven't disclosed. Anyway we'll contribute our part in publicity. VOTE FOR PETERS!
