Bruins Down . . .

Continued from page 3

In the second quarter "Scooter" Yancey took the ball and raced 80 yards for the third score of the game. This time the point was good.

The second half was a different ball game. Fumbles, penalties, and b o g g l e d signals thwarted many nice scoring opportunities. Late in the fourth quarter McCrary raced 23 yards around end and Dickey raced 11 more to put the ball in scoring position; but again the Teachers stiffened and held the goal line drive off. The Profs kicked out and Davis returned to the 21. Harrison raced to the 3 and "Knuckle-head" went over for the score. The point failed, making the score 25-0.

In the Mercer backfield Yancey stood out with his long, exciting runs, Page with his hard line cracking, Harrison and Blaylock with the punts, with McCrary and Davis showing up well in several nice runs. Phillips showed up well at end and Brundage was in under many of the plays on defense. For the visitors, Cane and Scarboro were outstanding.
