SAE's, Ministers Win Football

Only two teams finished the football in first place, after the ALT outfit pulled somewhat of an upset in defeating the Phi Delt team Monday afternoon. The SAE's whipped the Kappa Sigs easily and the Ministers held their place by disposing of the KA's in a rough game. This puts the Phi Delt in second place.

Both teams will receive ten points toward winning the intra-mural cup at the end of the year. Plans are now afoot, however, to have these two teams play for the mythical title on Friday afternoon of Home-coming week-end. This should be a hard-fought game. Plans now are to have the game in the stadium if possible. We are hoping that

a large crowd will turn out, as this will in all events be a good show. The Ministers defeated the SAE's earlier in the year but both teams have come a long way since then.

All Star Selections Made

You will find on this page of The Cluster, two all-star football teams as selected by the Sports Editor and the director of the Intra-mural league. The selections were made on the basis of team play and value, as well as ability and spirit. There are probably some oversights made in these selections but they were made as nearly accurate as possible and we hope that everybody will be satisfied.

While thinking over the all-star teams your reporter decided to compose a list of superlatives as seen from the sidelines. I'm going out on a limb again but here goes:

Best passer, Hinton Merritt, Phi Delt; best pass receiver, "Red" Parker, ALT; best kicker, Bob Reynolds, SAE; best lineman, Charlies Warren, non-frats; best on pass defense, Fred Smith, Phi Delt; best back and best all-round player, Tom James, KA. The most improved team in the league was the Ministers.

Congratulations, Non-Sorority Girls

Orchids to the Non-sorority girls for winning the volleyball crown Tuesday night. The Non-sorority group defeated the Phi Mu's in a play-off after they had beaten them in a regularly scheduled game. It looked like Phi Mu's year after they had beaten the AXE's, erstwhile conquerors of the Non-sorority outfit, but the latter put an improved team on the floor Tuesday night and allowed the Phi Mu's only one game during the two matches.

Josey Beats Reynolds

It was with some surprise to most tennis enthusiasts on the campus that John Josey, Forsyth's gift to the Phi Delt team, defeated Bob Reynolds in the fraternity matches Tuesday afternoon. Reynolds is well known for his tennis ability and was a favorite to take this match. However, your sports editor learned liater in the day that Josey was state high school champ last year. He really plays a good brand of tennis and will probably go a long way in the school tourney this year.

Girls to Play Tennis

The boys' tennis tournament got under way this week with a bang and it has been announced that the girls' organizations will also have a tourney to be run on the same order as the boys'. This will probably start some time next week.

Co-Ed "M" Club to Initiate

The Co-ed "M" Club will hold the first initiation of the year on December 11, and Pauline Parham asks that all girls who think that they are qualified please turn in their activities to some member of the club not later than November 27. The club will then check these activities and vote on the eligible girls. The requirements have been changed this year and a new point system has been installed. Any girl with 35 points is eligible and should turn in her points. In the office apart of the team appearing in this issue doesn't suit you. Thanks.

About 75 guests called during the afternoon.

ALT's Upset Favored Phi Delt Team To Break Three Way Tie for First

The tag football season came to a close Tuesday afternoon with the SAE's and Ministers in a tie for first place.

Monday afternoon a smooth-working ALT outfit spilled a favored Phi Delta Theta team 20-12. This defeat put the Phi Delt in second place, dropping them from an erstwhile three-way tie for first place. The SAE's held their position by defeating the Kappa Sigs 20-0.

Boys' Tennis Bouts Begin

The first round of the intra-mural tennis tournament has been completed with SAE, ALT, Non-frats, and Preachers coming out victorious.

In the first match Tuesday afternoon, the SAE team defeated the Phi Delt two matches to one. The Phi Delt won the singles match, but dropped the other one and also the doubles match.

Tuesday afternoon the ALT's took their match with the KA's, sweeping all three contests. The Non-frats remained in the winner's brackets by beating the Kappa Sigs Wednesday.

The defeated teams will continue in competition as this is a doubles elimination affair. Billy McCowen, director of tennis, has announced that all second round matches must be played by Monday.

Tuesday afternoon the Kappa Alpha aggregation took an early lead over the Ministers in a game marked with near fist fights. With the return of Charlie Clark, Minister star, to the game in the second half, the preachers trampled the KA's 42-12. In the last official game of the season the Non-frats easily vanquished a weak ATO team 30-6.

The final standings for the season are:

Team	Won	Lost
SAE	6	1
Ministers	6	1
Phi Delt	5	2
ALT	4	3
KA	3	4
Non-frats	3	4
Kappa Sig	1	6

The play-off match was then played and the Non-sorority team came back to win after dropping the first game.

Monday night the ADPi's defeated the AXE's to gain a tie for second place.
