

**Millinery Magic**

Pretty Ruby Lawton displays her millinery magic by fashioning her own hat for the big football game. Her simple formula can be duplicated in a few minutes. Here's how: Attach hat elastic to each end of a grosgrain ribbon (one inch wide and twelve inches long). Then take another grosgrain ribbon five inches wide and eighteen inches long and fold into bow. Take four large mums and seven baby mums from waxed paper and arrange in interesting fashion and attach to bow with corsage pins. Then fasten entire arrangement onto the one-inch ribbon and slip on over head. To insure maximum beauty and freshness keep mums in waxed paper until last minute.

**Retake**

WICHITA, KAN. — Remarried on their fifty-fifth wedding anniversary by the same minister who presided at their original ceremony in 1891, Mr. and Mrs. H. G. Warwick of Wichita, Kansas, said they experienced almost the same emotions of fright and happiness as they did years ago. The Reverend W. B. Barton, Methodist Minister, dressed in his Preacher's coat, read the vows from a chair in his own living room. He has been in ill health for several years and was unable to stand during the repeat ceremony.
