The lineup: Freshmen: Mary Frances Joiner, guard-captain. Mary Carter, guard. Ray Herring, forward. Cecelia Lawrence, forward. Nell Bernal, center.

Sophomores: Bill Davis, guard captain. Charlye Watson, guard. Josephine Goodwyne, forward. Edna West, forward. Augusta Wadsworth, center.

TWO CLUBS WILL MEET IN DEBATE TONIGHT

The Oratorical Thirteen club will debate the Saturday Morning club in the Ciceronian society hall Friday evening at 6:30 o'clock.

The public has been invited to at-

tend this debate so that the value of the work being done may be realized by those who are not members.

The subject for the debate is, "Resolved, that the Klu Klux Klan is anti-American." A. J. Harper and J. L. Drake, representing the Saturday Morning Club, will argue the affirmative side of the question, and W. A. Ingram and W. O. Dorrough will defend the negative side, upholding the standards of the Oratorical Thirteen.

FRESHMEN SELECTED FOR SOCIETY DEBATE

Ciceronians and Phi Deltas Clash Dec. 7.

On Friday night, December 7, the freshmen of the Phi Delta and Ciceronian literary societies will match their forensic talents in what is expected to be one of the best debates ever held between the two rival societies.

The Ciceronian society, represented by M. C. Townsend and C. A. Martin, will uphold the affirmative side of the question, while C. W. Howard and G. L. Spratlin will defend the negative in favor of the Phi Delta society.

This debate is an annual affair which is held in the fall of the year between the two societies and always bids fair to be one of the most spirited contests of the year. The Ciceronian was victor in the contest last year, but the reports from the Phi Delta camp are to the effect that they will have their hands full to make it a repetition this year.

FIRST OFFICIAL CAGE DRILLS BEGIN MONDAY

tournament last year, should experience little trouble in retaining his position of center

With five men like that for the first string team, Coach Gillam appears to be in for a great year. Harmon, McWilliams, Smith, Simmons, and Pope, five of the outstanding basketball stars of the South, to build around, and plenty of reserve material to work on.

Of course, no one can be absolutely certain of his place on the Baptist five, but the men mentioned above seem to stand out prominently among the candidates. Some of the scrubs who have been showing up well in the sessions already held are: Birch Roberts, John Parker, Roundtree, Connell, and others.

The Mercer football squad will send a number of good cagemen to the drill on Monday. Smith and Simmons are varsity players, as was

stated above. In addition to those mentioned already, others on the grid team who will make somebody hustle for a berth are: "Kid" Cecil, "Tuzan" Bowling, "Cool" Lynch, "Gechee" Chapman, "Red" Lawrence.

The local university is scheduled to produce a great freshman quint this season. The entire Lanier High five, losers of only two games in two years, will be candidates for the first year aggregation at Mercer, although "Young" Stribling will not be numbered with his teammates of last year. "Buncle" Skinner, Wilburn Dicks, Oscar Long, Malcolm (Shorty) Green, and Kenmore Burns, will all be fighting for a place, while other freshman stars will give these men some real competition before the first five is named.
