

Dear Eugene,

Have just received
your Photograph. Many, many thanks
for it; although you still insist that
I told you, I did not want one, I think
it very like the original. Laura says
claim to one, so you will have to send
another, as we both love Albums.

I have not seen or heard anything of you
intended since you were here, I suppose
you had a nice time Sunday night. We
shall expect you down next Saturday
night as usual. I am trying to get a
new dress made to wear to church next
Sunday, and shall claim you as an
escort. Your affectionate aunt-

Jubie,

So, please enclose this in an
envelope to Eugene, I have now in
the house,
